

10/10 VENTURES LTD

ORGANIZATIONAL STATUTE (BYLAWS)

Kigali, Rwanda | Effective September 1, 2026

Companion to the 10/10 Ventures Ltd Group Investment Charter (Sept. 2026)

How This Document Fits

This Statute is the group's constitution — it governs membership, leadership, meetings, discipline, and dispute resolution. It does not replace the Group Investment Charter; it operationalizes it.

Wherever a figure in this Statute (contribution amounts, profit distribution splits, venture names) could conflict with the Charter, the Charter controls, and this Statute has been written to match it exactly.

Wherever this Statute adopts an operating parameter from the 10/10 Ventures Portal Team Presentation Report (August 2026) — the contribution window, late-payment penalty rate, loan interest rate, or quorum — that adoption is stated explicitly so the portal and this Statute never drift apart.

One deliberate departure from the Portal's current default: Article V now sets Officer terms at three (3) years with a paired Advisor succession system, replacing the Portal's one-year term configuration. The Portal will need to be reconfigured to match this Statute, not the other way around.

PREAMBLE

This Statute is adopted by the ten founding members of 10/10 Ventures Ltd, a member-owned savings and investment group established in Kigali, Rwanda on September 1, 2026, to give lasting structure to the commitments described in the Group Investment Charter.

Where the Charter tells the story of what the group is building and why, this Statute defines how the group governs itself while building it: who may join and who must leave, how decisions are made and disputes settled, what officers exist and what they may do, and what happens when a member falls short of what membership requires.

This Statute binds every founding member and every member admitted after them. No policy, manual, or portal configuration adopted by the group may contradict it without a formal amendment under Article X.

ARTICLE I — NAME, FORM & PURPOSE

1.1 Name

The organization's legal and operating name is 10/10 Ventures Ltd ("the Group"). No other name — including any legacy name appearing in prior drafts, code repositories, or configuration files — has any legal or operational standing.

1.2 Legal Form

The Group is a member-owned savings and investment company, operating its portfolio of ventures through wholly or majority-owned subsidiary companies as described in the Charter's Long-Term Vision.

1.3 Registered Location

The Group's registered operating location is Kigali, Rwanda. Any reference elsewhere to a different city or district predates this Statute and is superseded by it.

1.4 Purpose

The Group's purpose is as set out in the Charter's Group Purpose & Objectives: to build financial discipline through collective savings, to invest in profitable and sustainable businesses, to create long-term wealth and generational assets, and to harness the diverse backgrounds of its members as a collective strength.

1.5 Duration

The Group is established for the 30-year horizon described in the Charter and continues thereafter unless dissolved under Article XI.

ARTICLE II — DEFINITIONS

Term	Meaning
Charter	The 10/10 Ventures Ltd Group Investment Charter and 30-Year Consolidated Business Plan (Sept. 2026), as amended.
Portal	The 10/10 Ventures Portal, the group's digital operating system for financial, governance, and communication records.
Member	A natural person holding an admitted, active ownership stake in the Group under Article III.
General Assembly	The full body of all active Members, meeting as the Group's supreme decision-making authority.
Officer	The President, Secretary, or Treasurer, each elected under Article V.
Advisor	A Member elected under Article V to shadow one Officer for a full term, in preparation to stand for that office in the following term.
Lead Team	The President, Secretary, and Treasurer collectively, acting together where this Statute assigns them a joint responsibility.
Ordinary Resolution	A decision passed by a simple majority of Members present and voting at a properly convened meeting.
Special Resolution	A decision passed by a two-thirds majority of all Members, required wherever this Statute specifies it.
Good Standing	The status of a Member who is current on all financial obligations and has no unresolved disciplinary action pending under Article III.

ARTICLE III — MEMBERSHIP

3.1 Founding Membership

The ten founding Members are those who signed the Charter's Member Commitment on or before September 1, 2026, and completed the 30-month savings commitment described in Charter Part 1.

3.2 Admission of New Members

The Group may admit new Members after the founding cohort, subject to all of the following:

1. Approval by Special Resolution of the General Assembly.
2. Payment of an admission price equal to the then-current Equity Per Member figure from the Group's most recent actual valuation or audited Balance Sheet — not the Charter's Comparative Balance Sheet (Part 10.3), which is a projection for planning purposes, not a record of actual performance. The Treasurer commissions this valuation on receipt of an application.
3. Written acknowledgment that the new Member accepts this Statute, the Charter, and all Core Values in full.
4. A probationary period of twelve (12) months, during which the new Member may participate in meetings but may not vote on Special Resolutions.

Rationale: new Members buy in at current fair value, not the founders' original 3,000,000 Frw, so the compounding advantage the founders built through 30 months of savings and years of patience (Charter Part 10.4) is not diluted for free.

3.3 Rights of Members

- To vote at the General Assembly on matters properly before it.
- To stand for election to any Officer or Advisor position, subject to Article V.
- To receive Member Privileges as described in the Charter, in Good Standing.
- To inspect the Group's financial records on reasonable written request to the Treasurer.
- To bring a grievance under Article VIII.

3.4 Obligations of Members

Every Member is bound by the Charter's Membership Requirements in full, including the Financial Commitment, Active Participation, and Integrity & Conduct provisions. This Statute adds no lesser standard — only enforcement mechanics.

3.5 Voluntary Exit

A Member wishing to leave the Group must give the President and Treasurer no less than ninety (90) days' written notice. Exit is subject to:

1. No exit is permitted during the 30-month savings phase (Charter Membership Requirements), except in cases of documented hardship approved by Special Resolution.
2. After the savings phase, the exiting Member's equity stake is valued using the Group's most recent actual valuation or audited Balance Sheet — not the Charter's Comparative Balance Sheet (Part 10.3), which is a projection for planning purposes, not a record of actual performance. The Treasurer commissions this valuation within thirty (30) days of the exit notice.
3. Existing Members have first right to acquire the exiting Member's stake, in proportion to their own holdings or by another allocation agreed among interested Members.
4. If no Member elects to acquire the stake within the notice period, the Group may admit a new buyer under Section 3.2, but only once the exiting Member has been paid in full, or the exiting Member and the buyer have agreed on an installment plan.
5. Any buy-out — whether by existing Members or a new buyer — is paid in installments over a period not exceeding twenty-four (24) months, to avoid forcing the sale of productive Group assets, unless the exiting Member consents in writing to a longer period.
6. From the date notice is given, the exiting Member's Member Privileges (Charter, Member Privileges) cease, but their financial buy-out claim is unaffected.
7. An exiting Member forfeits no accrued distribution already paid, and owes no penalty for exiting in Good Standing.

Rationale: the Charter's Balance Sheet (Part 10.3) is an illustrative 30-year projection, not an actual record — basing a real payout on a projection would risk overpaying or underpaying an exiting Member relative to what the Group has actually earned.

Members are given first refusal so ownership stays inside the Group wherever possible; an outside buyer is a last resort, and only on terms that make the exiting Member whole.

3.6 Grounds for Suspension or Expulsion

A Member may be suspended or expelled only for one or more of the following documented grounds:

- Persistent late payment, as defined in Section 6.3.
- Persistent unexcused absence from meetings, as defined in Section 4.8.
- Material breach of the Integrity & Conduct provisions of the Charter's Membership Requirements.
- Disclosure of confidential Group financial or strategic information to a non-Member, in breach of the Confidentiality Core Value.
- Conduct bringing the Group into public disrepute.
- Conviction of a criminal offense involving dishonesty or breach of trust.

3.7 Suspension Procedure (Interim Measure)

Where grounds under 3.6 are credibly alleged, the President may suspend a Member's voting rights and privileges pending review, for a period not exceeding sixty (60) days, provided the Member is notified in writing of the specific allegation within seven (7) days of suspension.

3.8 Expulsion Procedure

1. The Secretary records the alleged grounds and notifies the Member in writing, giving no less than fourteen (14) days to respond in writing and request a hearing.
2. The Member has the right to appear in person before the General Assembly and be heard before any vote.
3. Expulsion requires a Special Resolution (two-thirds of all Members).
4. An expelled Member is treated as exiting voluntarily under Section 3.5 for financial buy-out purposes, but forfeits all Member Privileges immediately upon the expulsion vote, not after the 90-day notice period.
5. An expelled Member may appeal the decision once, under the Dispute Resolution process in Article VIII, within thirty (30) days.

ARTICLE IV — MEETINGS & ATTENDANCE

4.1 The General Assembly

The General Assembly, comprising all Members in Good Standing, is the Group's supreme authority. It alone may approve Special Resolutions, elect and remove Officers and Advisors, approve new ventures above the threshold in Article VII, admit new Members, and amend this Statute.

4.2 Ordinary Meetings

The General Assembly meets not less than monthly, aligned with the Group's monthly contribution cycle. The Secretary sets the schedule and records it in the Portal.

4.3 Extraordinary Meetings

An extraordinary meeting may be called by the President, or by written request of any three (3) Members, on not less than seven (7) days' notice, stating the specific business to be addressed.

4.4 Notice

Notice of every meeting, ordinary or extraordinary, is given through the Portal and by direct communication to every Member not less than seven (7) days in advance, except where a shorter period is agreed unanimously.

4.5 Quorum

A quorum is two-thirds (2/3) of all Members in Good Standing, adopted directly from the Portal's governance configuration. No vote is valid without quorum.

4.6 Voting

- Ordinary Resolutions require a simple majority of Members present and voting, consistent with the Unity Core Value.
- Special Resolutions require two-thirds (2/3) of all Members in Good Standing, not merely those present.
- Each Member holds one vote, regardless of tenure or admission price paid.
- Voting by proxy is not permitted — see Section 4.7.

4.7 Physical Presence Requirement

Consistent with the Charter's Membership Requirements, attendance in person is mandatory. A Member's oversight duty over an assigned venture cannot be fulfilled remotely, and votes may not be cast by proxy or written submission except as provided below.

Physical presence at a meeting is excused only on one of the following grounds:

- Short-term travel, not exceeding the duration of one term (three years) — the traveling Member remains fully responsible for staying informed of Group affairs and decisions made in their absence, and returns to full attendance duty immediately on their return.
- The Member's own documented illness.
- A close family difficulty requiring the Member's direct attention.

The Lead Team is jointly responsible for obtaining and retaining evidence supporting any claimed ground of exception before an absence is recorded as excused — an absence is not excused on the Member's word alone.

4.8 Missed Meeting Penalties

Occurrence (rolling 12 months)	Consequence
1st unexcused absence	20,000 Frw penalty.
2nd unexcused absence	20,000 Frw penalty; written warning from the Secretary.
3rd unexcused absence	40,000 Frw penalty (doubled); written warning from the President; Member Privileges placed under review.
4th unexcused absence	Automatic suspension of Member Privileges under Section 3.7, pending explanation to the Assembly — no financial penalty.
5th unexcused absence	Grounds for expulsion under Section 3.6 — 3.8.

An absence excused under Section 4.7 is not counted toward this table. The 4th-occurrence step deliberately carries no financial penalty — by that point the concern is participation, not money, so suspension replaces the fine.

4.9 Minutes

The Secretary records minutes of every meeting, including attendance, decisions, resolutions, and assigned action items, and publishes them through the Portal within seven (7) days.

ARTICLE V — LEADERSHIP STRUCTURE & SUCCESSION

5.1 Officers and Advisors

The Group has three elected Officers — President, Secretary, and Treasurer — each paired with one elected Advisor, plus one appointed operational role, the Platform Administrator. A separate Leadership Structure & Body Resolution Template document sets out the full organizational chart and a standard resolution form for formal decisions.

5.2 President

- Chairs the General Assembly and all meetings.
- Authorizes key operational activity between meetings, within limits set by Special Resolution.
- Represents the Group externally — to banks, regulators, partners, and media.
- Rules on suspensions under Section 3.7.
- Casts the deciding vote only in the event of a tie on an Ordinary Resolution.

5.3 Secretary

- Schedules meetings, issues notice, and records minutes.
- Maintains the attendance register and the action-item tracker.
- Issues formal correspondence, warnings, and notices required under Article III and Article IV.
- Maintains the Group's document library and governance records in the Portal.

5.4 Treasurer

- Manages the contribution window, payment verification, and receipts.
- Administers the internal loan system under Section 6.4.
- Prepares monthly financial reports and the four-month audit pack under Section 6.6.
- Maintains the fund tracker and reports fund position to every ordinary meeting.
- Recommends venture proposals to the General Assembly under Article VII.

5.5 Advisors and Succession

Each Officer serves alongside one Advisor, elected for the same three-year term and paired to that Officer's role — an Advisor to the President, an Advisor to the Secretary, and an Advisor to the Treasurer. The Advisor system exists so that leadership never depends on any one person, and so that over time every Member gains direct, working knowledge of how the Group is actually run.

- An Advisor attends every meeting and activity their paired Officer attends, and is briefed on that Officer's decisions and duties in full.
- An Advisor may act in their paired Officer's place during a short, documented absence, but may not exercise the Officer's authority independently otherwise.
- At the end of a term, the three Advisors are the presumptive candidates to become the next term's three Officers, each stepping into the role they shadowed — subject always to confirmation by Ordinary Resolution of the General Assembly under Section 5.7.
- Where an Advisor is unable or unwilling to assume the paired Officer position, the General Assembly fills that Officer position from the wider membership by Ordinary Resolution.
- As soon as a new Officer team is confirmed, three new Advisors are elected to shadow them for the coming term.

Nomination for Advisor should prioritize Members who have not yet served as an Advisor or Officer, so that leadership experience and full working knowledge of the Group's vision eventually reaches every one of the ten Members, not only a repeating few.

5.6 Platform Administrator

The Platform Administrator operates and protects the Portal — user accounts, roles, platform health, and technical controls. The Assembly may fill this role by electing a Member or by contracting an external service provider; either way, the Administrator reports to the President and holds no independent governance authority beyond the Portal's technical operation.

5.7 Election and Succession Procedure

The first Officer and Advisor teams are elected by Ordinary Resolution of the General Assembly at the first ordinary meeting of the Statute's effect. Any Member in Good Standing for at least twelve (12) months may stand for election as Officer or Advisor. At the end of each subsequent term, the Assembly first votes to confirm the outgoing Advisors as the incoming Officers under Section 5.5, then elects three new Advisors to shadow them.

5.8 Term of Office

Each Officer and Advisor term is three (3) years. No individual, nor the Officer-Advisor pairing they belong to, may serve two consecutive terms in the same office. A Member or team that has completed a term may stand again for a later, non-consecutive term in the same office — for example, a team completing Term 1 may not stand again for Term 2, but may stand for Term 3 once Term 2's team has served, giving a returning team the chance to build on or correct course from their first term.

5.9 Removal of Officers

An Officer or Advisor may be removed before the end of their term by Special Resolution, on grounds of breach of duty, sustained non-performance, or any Section 3.6 ground. The Officer or Advisor has the same right to be heard as under Section 3.8.

5.10 Vacancies

A vacancy in an Officer position arising mid-term is first offered to that Officer's paired Advisor, confirmed by Ordinary Resolution. If the Advisor is unable or unwilling to serve, or the vacancy is itself in an Advisor position, the General Assembly fills it by Ordinary Resolution at the next meeting, for the remainder of the term.

ARTICLE VI — FINANCIAL PROVISIONS

6.1 Monthly Contributions

Every Member contributes 100,000 Frw monthly for the 30-month savings phase described in Charter Part 1. This figure may not be altered except by Special Resolution and a corresponding Charter amendment.

6.2 Contribution Window

Adopted from the Portal configuration: the contribution window for each month runs from the 1st to the 5th of the following month. A contribution recorded after the 5th is late.

6.3 Late Payment Penalty

Adopted from the Portal configuration: a late contribution incurs a penalty of 10% of the contribution amount. Escalation for repeated lateness:

Occurrence (rolling 12 months)	Consequence
1st late payment	10% penalty; automatic system notice.
2nd late payment	10% penalty; written warning from the Treasurer.
3rd late payment	10% penalty; voting rights suspended until the balance and penalty are cleared.
4th late payment	Grounds for expulsion under Section 3.6 — 3.8.

6.4 Internal Loans

Adopted from the Portal configuration: a Member in Good Standing may borrow up to the value of their accumulated savings, at a default flat interest rate of 5%. Approved loans are disbursed within three (3) business days. The Treasurer maintains the approval, disbursement, and repayment record in the Portal, and reports overdue loans to every ordinary meeting.

6.5 Profit Distribution

Profit distribution follows the schedule set out in the Charter: 60% distributed / 40% retained from Year 6 through Year 16 (funding 10/10 Life Polyclinic Ltd), reverting to 70% distributed / 30% retained from Year 17 onward (Charter Parts 5, 11.1, 11.8). The mechanics of this policy are set out in full in the companion Profit Sharing Policy; this Statute establishes only that no distribution split may be changed except by Special Resolution.

6.6 Financial Year and Audit

Adopted from the Portal configuration: the Treasurer prepares a financial review and audit-preparation pack every four (4) months, covering contributions, loans, penalties, and expenses, for presentation to the General Assembly.

6.7 Banking and Custody

Group funds are held in an account requiring joint authorization of the President and Treasurer for any withdrawal or transfer above a threshold set by Ordinary Resolution. No single Officer may unilaterally move Group funds.

ARTICLE VII — INVESTMENT & BUSINESS DECISIONS

7.1 Approval Authority

No new venture, and no capital commitment exceeding 5,000,000 Frw for an existing venture, may proceed without a Special Resolution of the General Assembly.

7.2 Selection Criteria

Every venture proposal is evaluated against the companion Investment/Business Selection Criteria Policy before it reaches the General Assembly for a vote. The Treasurer is responsible for confirming a proposal has been evaluated against that policy before it is tabled.

7.3 Capital Allocation Limits

Capital for new ventures is drawn only from the Innovation & Growth Reserve described in Charter Part 11.8, never from member savings still within the 30-month contribution phase, and never by incurring debt — consistent with the Charter's standing no-loan principle across every venture to date.

ARTICLE VIII — DISPUTE RESOLUTION

8.1 Principles

Disputes are resolved at the lowest effective level, kept confidential, and resolved without unnecessary delay. No dispute may be discussed outside the process below, consistent with the Confidentiality Core Value.

8.2 Tiered Process

1. Direct resolution: the parties attempt to resolve the matter between themselves within fourteen (14) days.
2. Mediation: if unresolved, either party may refer the matter to the President (or, if the President is a party, the Secretary) for informal mediation within fourteen (14) days.
3. Assembly hearing: if mediation fails, the matter is heard at the next ordinary or a specially convened meeting, with both parties entitled to be heard, resolved by Ordinary Resolution unless it concerns expulsion, in which case Section 3.8 applies.
4. External mediation: if a party is dissatisfied with the Assembly's resolution, either party may refer the matter to an independent mediator agreed by both, or failing agreement, one appointed under Rwandan mediation practice, before any resort to the courts.

8.3 Confidentiality

All records of a dispute are held by the Secretary in confidence and disclosed only to the parties, the Assembly as necessary to resolve the matter, and any mediator engaged under 8.2(4).

ARTICLE IX — CODE OF CONDUCT

Every Member and Officer is bound by the eight Core Values set out in the Charter — Discipline, Integrity, Accountability, Transparency, Unity, Hard Work, Respect, and Confidentiality — and by the Charter's Core Ideology in full. This Statute does not restate them; it enforces them through Articles III, IV, and V.

ARTICLE X — AMENDMENT OF THIS STATUTE

This Statute may be amended only by Special Resolution of the General Assembly, on a proposed amendment circulated in writing to every Member not less than fourteen (14) days before the vote. No amendment may take effect retroactively, and no amendment may contradict the Charter without a corresponding Charter amendment passed the same way.

ARTICLE XI — DISSOLUTION

The Group may be dissolved only by Special Resolution passed at a meeting called specifically for that purpose, on not less than thirty (30) days' notice to every Member. On dissolution, Group assets are liquidated in an orderly manner, all liabilities settled, and the remaining proceeds distributed to Members in proportion to their Equity Per Member figure on the Group's most recent actual valuation or audited Balance Sheet.

ARTICLE XII — MISCELLANEOUS

12.1 Governing Law

This Statute is governed by the laws of the Republic of Rwanda.

12.2 Severability

If any provision of this Statute is found invalid or unenforceable, the remaining provisions continue in full force.

12.3 Effective Date

This Statute takes effect September 1, 2026, and applies retroactively to that date for all matters not already settled under prior informal practice.

ADOPTION & SIGNATURES

Adopted by Special Resolution of the founding General Assembly of 10/10 Ventures Ltd.
